

1 local. Section 10 the term has been reduced from 14
2 to 10 in accordance with the vote at the last meeting
3 of the Commission. In the next sentence the words,
4 the word throughout has been changed to of the entire
5 state referring to the electorate just because we thought
6 it was clearer than the word throughout. The rest of
7 the language in there is again merely trying to make
8 it clear we did change where the Judge must stand for
9 election or re-election to changing it from where he
10 was required to reside when appointed to the county or
11 district for which the office then exists. We had to
12 take out the word required to reside because of the
13 change in the language adopted by the Commission making
14 him eligible to be appointed in a county where he
15 doesn't reside. The word exclusively has again been
16 added to clarify the rule-making power.

17 Moving to 11, there have been no changes.

18 MR. DELLA: Mr. Chairman, just one point,
19 I would like the record to show at least that I have
20 no objection to Section 10 except that noncompetitive
21 election.
